# ABOUT CFD STUDIO

**CFD STUDIO** is an independent creative studio.  
We craft high-quality digital experiences for brands  
and business goals.

- We are home to a highly skilled and versatile team of designers and developers, specializing in solving complex problems. We delve into your true goals and challenges, equipped with the technical know-how to deliver the best solutions that we all collectively believe in.

**OUR MISSION** is to transform ideas into impactful brands by blending creativity, technology, and strategic thinking, delivering solutions that not only captivate but also drive success.

**3+** YEARS OF  
ESTABLISHED

**42** CLIENTS  
& PARTNERS

**58** PROJECTS  
COMPLETED

# OUR VALUES MAKE US DIFFERENT

## CRAFTSMANSHIP

Our goal is your brand's wild influence. Paying close attention to even the smallest details is crucial for achieving excellence in our work.

## COMMITMENT

Demonstrating a strong commitment to meeting project timelines, achieving objectives, and managing budgets effectively.

## FLEXIBILITY

We understand the importance of adaptability, and we continuously refine our approach to meet new challenges and changes head-on.

## CREATIVITY

We are passionate about infusing creativity into every aspect of our projects, aiming to craft captivating experiences for each one.

CLIENTS & PARTNERS  
WHO TRUST US

02

# OUR APPROACH

**OUR APPROACH** is that a small but experienced team delivers unparalleled quality in every detail, every step of the way.

- Each project is led by a project manager who works directly with you. We build tight-knit partnerships with our clients and in our experience, collaboration leads to success and digital growth.

# OUR PROCESS

**01**

## DISCOVERY & PLANNING

We conduct in-depth research and analysis to fully understand your project. This allows us to gather key insights that guide our design and development process, ensuring alignment with your business objectives.

**02**

## CONCEPTS & DESIGN

We create impactful brand experiences by understanding our clients' goals. Every design decision is user-focused, ensuring innovative solutions that enhance engagement and drive conversions.

**03**

## VALIDATION & REFINEMENT

Before moving into development, our team carefully evaluates and refines the design. This ensures the highest quality, optimal user experience and complete customer satisfaction.

**04**

## DEVELOPMENT & OPTIMIZATION

We bring the designs to life with clean, high-performance code. Our team focuses on seamless functionality, smooth animations and optimized performance for the best user experience.

**05**

## TESTING & DEPLOYMENT

Before launch, we conduct thorough testing on functionality, performance, security and user experience. The website is then smoothly migrated to the live environment, ensuring stability and optimal performance.

**06**

## LAUNCH & SUPPORT

We ensure a seamless go-live with CMS training, essential documentation and dedicated support. Additionally, we offer maintenance packages to keep your website secure and performing at its best.

03

# MEET OUR TEAM

## CORE TEAM

**NGHIA TRAN**

Managing Director

**HUY NGUYEN**

Head of Technology

**QUANG NGUYEN**

Creative Director

**THIEN LE**

Landing page, Microsites  
Interactive Website  
2D / 3D Animations  
Minigame Website  
Corporate Website  
Web Application (SPA)  
API Integrations  
CMS Implementation  
E-Commerce  
Mobile Applications

### BRANDING

Brand Strategy  
Logo Design  
Visual Identity System  
Brand Identity

## DESIGN

We blend aesthetics with functionality to build impactful digital experiences that resonate with the target audiences.

## BUSINESS GOALS

Our user-centered design process and implementation encourages productivity and helps with company revenue and growth.

## DEVELOPMENT

Using cutting-edge technologies and industry best practices, we build responsive, high-performance websites that not only look stunning but also function flawlessly.

# >90%

LOADING SPEED OF OUR WEBSITES  
VIA **GOOGLE SPEEDTEST**

### ■ FRONT-END DEVELOPMENT

Our adept team excels in crafting pixel-perfect websites and mobile apps, delivering unique micro-interactions and motion effects that engage and delight users.

**Technology:**

**Website:** HTML5, CSS3, SCSS, Tailwind, Javascript, Typescript, ReactJS/NextJs, GSAP, ThreeJS, Canvas and more.

**Mobile App:** Flutter, React Native.

### ■ BACK-END & CMS

We don't repeat ourselves on every upcoming project, each of them is unique and deserves a tailored solution.

**Technology:**

PHP, Laravel Framework, MySQL

NodeJs, MongoDB

Wordpress

## CUSTOM-BUILT CMS

We build and develop features based on each project's requirements to help users manage content most effectively.

# 100%

OF PROJECTS MEET  
**OWASP SECURITY STANDARDS**

### ■ EASY TO USE

Our CMS is designed to be user-friendly, allowing administrators to effortlessly update content, manage articles, and customize pages, even without technical expertise.

### ■ HIGH PERFORMANCE

We optimize code management to maximize website performance, ensuring fast load times, smooth functionality, and overall efficiency.

### ■ ENHANCED SECURITY

We prioritize secure development, implement advanced security measures, and adhere to OWASP standards.

### ■ SCALABILITY & FLEXIBILITY

Our CMS allows features to be expanded and upgraded on demand. It seamlessly integrates with other platforms, ensuring smooth operations and future growth.

## BRANDING

Our goal is your brand's wild influence.  
Exclusive logos, mockups, and corporate identities  
make your unique value stand out.

## A Few Words On Us

CANDIDATES CLIENTS

"After my graduation, I chose Globalk to help guide me on my next step. Turned out to was the right choice as they helped me understand my capabilities and my needs, which allowed me to have a clearer picture of my future career. With that knowledge, I successfully landed a data analyst position at Google Singapore."

Vincent Tan, User Support Specialist, Google, Singapore

"Globalk undertakes its role with a vision and passion that goes beyond the narrow objective of helping a person get a job. Moreover Globalk is proactive and focuses on an integrated approach that reflects a deep sense of commitment on achieving the clients objectives in both short and long term time frames."

Melanie Wong, Marketing Specialist, SEA Group, Singapore
